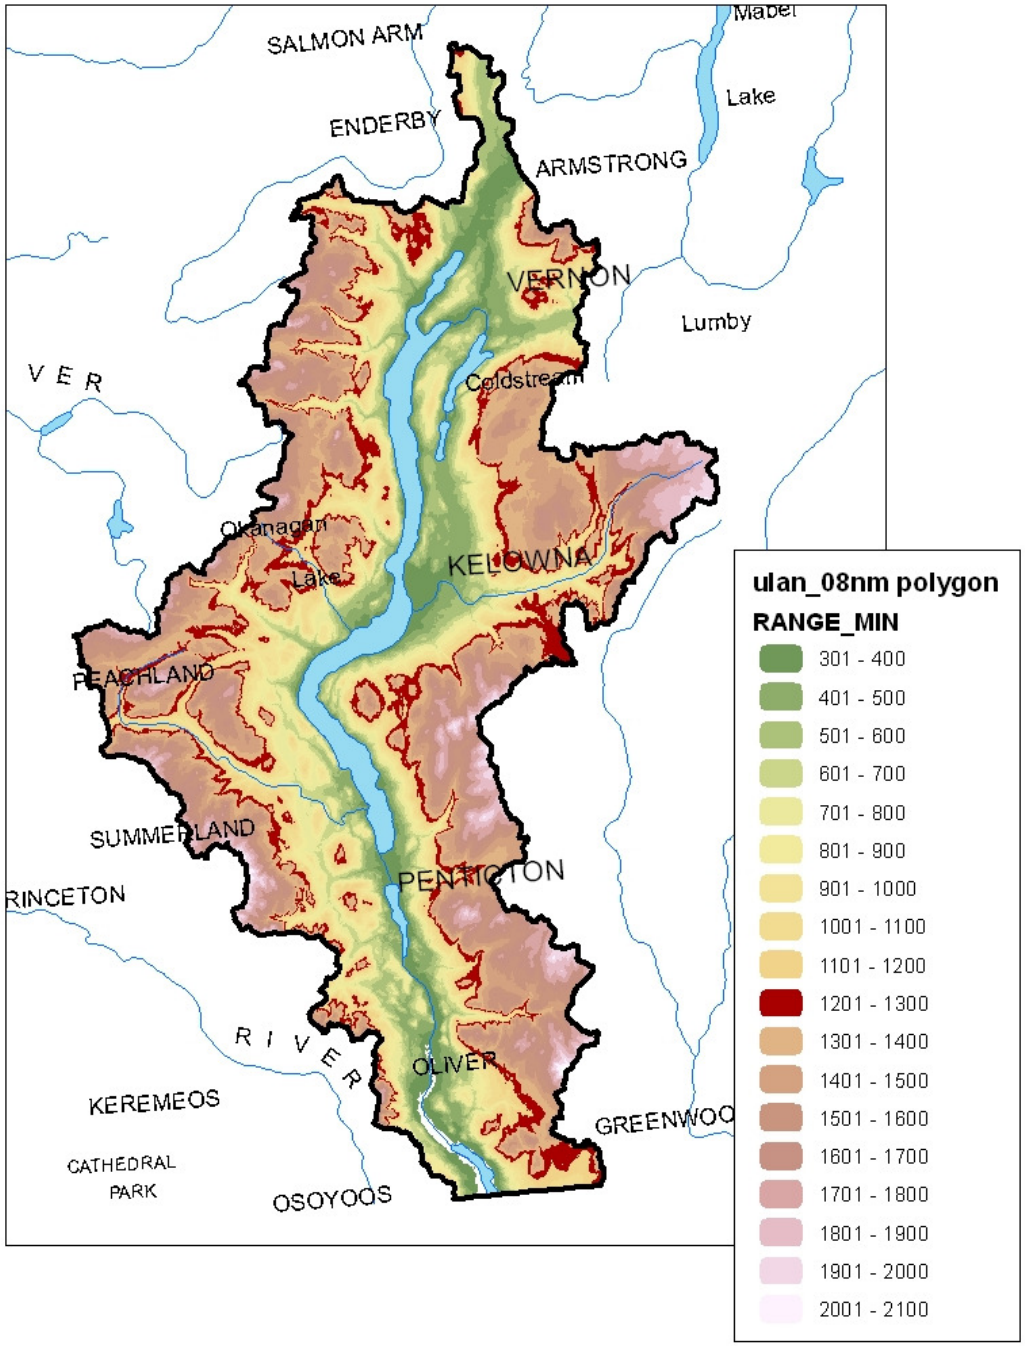
Okanagan Basin

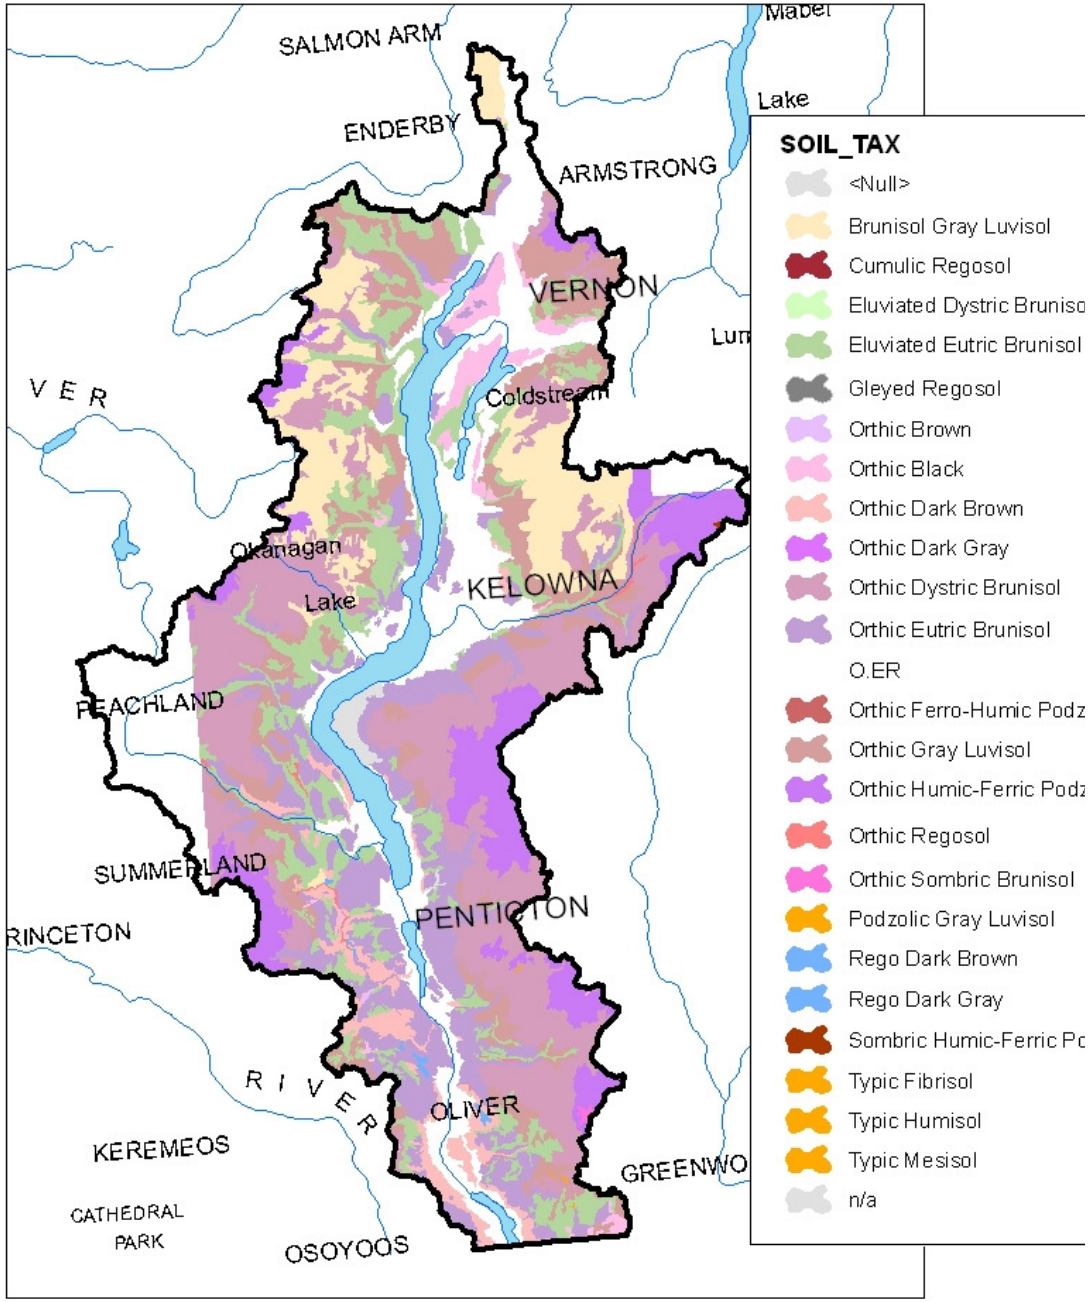
- Northern extent of Sonoran Desert
- water limited energy rich area
- winter snowfall
- intermittent streams
- calibration of MEC/MESH over
    - •Similkameen
    - •Okanagan
    - •Kettle



Topography

Okanagan Basin

- flux tower
- tdr network
- intermittent stream monitoring



Soils

Okanagan Basin

- Sensitive hydrology
- “high” winter precipitation
- Snowmelt with fall rains
- Low flows shifting from winter to summer
